

2022 EMPLOYMENT REPORT

The University of Texas at Austin
McCombs School of Business

MASTER OF SCIENCE **BUSINESS ANALYTICS**

LETTER FROM THE DIRECTOR OF CAREER EDUCATION & COACHING

The University of Texas at Austin
McCombs School of Business

We are grateful to the entire Texas McCombs community of faculty, staff, employers and alumni who came together to support our MS Business Analytics students achieve impressive outcomes. **At graduation, 80%** of MSBA class of 2022 students had accepted an offer. Job acceptances increased to **98% by 6 months after graduation**. These outcomes highlight the resilience, tenacity, and hard work of our students and staff.

Our class of 2022 MSBA students joined us in summer 2021, rising to the challenge of balancing a demanding course load with virtual and in-person recruiting. MSBA class of 2022 achieved an overall starting salary average of **\$108,260** by six months after graduation, an increase of 40% from the class of 2021.

Our team of career management professionals have adapted and improved our career curriculum and programming to **respond to the changing demands** of both the recruiting landscape and student interest. We are giving students the skills necessary to successfully launch their careers.

Additionally, we have continued to **invest in growing the MSBA employer ecosystem**, and that investment is paying off in the form of newly open doors and emerging pathways to meaningful work. The following report reflects the breadth of industries and job functions secured by our graduates. As our alumni base grows, so to does our employer ecosystem, and we look forward to partnering with more companies to bring opportunities to future MSBA students.

We are proud of the success of our MSBA class of 2022 graduates and are glad to have contributed to that success. We look forward to seeing how our graduates go out and change the world. Hook'em!

Merri Su Ruhmann, Director of MS Career Education & Coaching
